Notice is hereby given that the practice of freely receiving foreign circle notes in payment of Government dues hitherto prevailing in the District and Taluk Treasuries of the Mysore State is discontinued with effect from this date. Notes of the Madras Circle, however, will continue to be freely received.

2. Persons desirous of paying the amount due by them to Government in foreign circle notes may, however, do so until further notice, if a commission of $\frac{3}{16}$ per cent is added to the amount tendered.

3. The above instructions relate only to the receipt of foreign circle notes *in payment of Government dues*. As regards the receipt of notes in the District and Taluk Treasuries *in exchange for coin*, the following rules should be observed:—

(*a*) In District and Taluk Treasuries for which no special orders exist, except the general rules in the Civil Account Code as regards encashment of currency notes, foreign circle notes should not be cashed in future.

(*b*) In District and Taluk Treasuries which have hitherto under special orders cashed currency notes of all circles, when specie was available, for a commission of $\frac{1}{4}$ per cent (representing the cost of sending notes to and receiving specie from Bangalore), notes of the Madras Circle should continue to be cashed when possible for a commission of $\frac{1}{4}$ per cent; but for notes of other circles a higher commission of $\frac{7}{16}$ per cent should be charged.

By Order,
